Entered the university – became library user!

You don't need to register. You'll be serviced presenting valid student's identity card or personal identity card.

Find out which sources of information are recommended by teachers!

After searching in the Course Reading Catalogue <http://vdu.library.lt/subjects> you will find out which publications you must read, which are supplementary ones and where they can be found.

Find books in the shelves!

Most of library books are in the open stacks. If you want to find them use item arrangement schemes or perform search in the library catalogue <http://vdu.library.lt> or virtual library <http://vb.vdu.lt>.

Books are arranged in the shelves thematically (UDC index), and inside – according to the call number (book place in the shelf). Remember the following:

In the catalogue:

Year	UDC	Locations, items	Call No.
199	821.111(417)-31	Central Repository(1/ 0)	C1499

In the virtual library:
