

COURSE READING

The purpose of the Course Reading catalogue is to provide information to students about required and optional reading material suggested by a teacher for a course of studies, and for teachers – to update the lists of study material.

Where to find?

- 1) <http://vdu.library.lt/subjects>;
- 2) a link to the course reading list <http://www.labt.lt/paslaugos/vdudalykai?kodas=POL1001> to find a particular subject course reading list, you need to type in subject code
- 3) quick link on library website:

Using the catalogue, there's a possibility to request items, borrow them or renew the loan term.

How the course teachers can update the list of subject material?

Not all subject material is presented in the catalogue, so the teachers should apply to the [faculty librarian](#) for submission of information.
