

Item request in virtual library

<https://vb.vdu.lt>

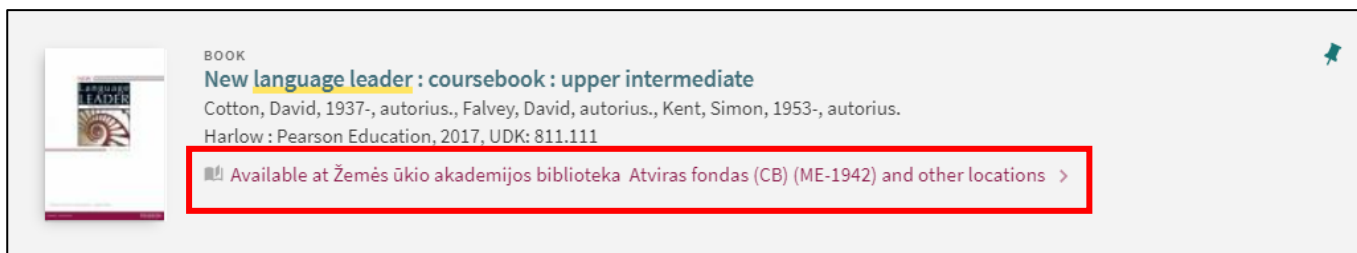

Click *Sign in* on the upper menu. Log in with VMU e-mail user name and password.

Perform search for necessary items in Library catalogue – in search field write in title, author or topic and choose Library Catalogue.

In the result list select the item you want to borrow and click on the title or Library department:

In the following window you'll see sublibraries where you can borrow the item chosen. Pay attention to where the item is available (not on loan).
